Projects:
- SYMSITES
- AshCycle
- ROBIN
- UrBIOFuture
- IS2H4C
- REDOL
- BIOTRANSFORM
- BioeconomyVentures
- RISERS
- SYMBA
- MPowerBIO
- CEE2ACT
- H4C ECoP
- H4C EUROPE
- BIOSWITCH

Research Centres:
- VITO (Flemish Institute for Technological Research)
- Celebei
- CENTEXBEL
- Inagro
- Ilvo
- BBEPP
- Avecam

Policy Labs for Systemic Innovation

Université Libre de Bruxelles:
- Faculty of Engineering
- BioMatter – Research group for biomaterials and tissue engineering

High School:
- Thomas More
- Odisee

Vrije Universiteit Brussel:
- Faculty of Sciences and Bioengineering Sciences
- Social and Cultural Food Studies (FOST), Department of History
- Research group Microbiology,
- Research Group of Industrial Microbiology and Food
- Community Ecology (WE-DBIO)
- Biotechnology, Department of Bioengineering Sciences
- Biology Department

Katholieke Universiteit Leuven:
- Alliance of Bioversity International and CIAT Europe
- UCLouvain

Ghent University:
- Laboratory of Biochemistry and Glycobiology
- Faculty of Bioscience Engineering
- Centre for Microbial Ecology and Technology, Department of Biotechnology
- Centre for Synthetic Biology

- Ecover
- BASF Antwerpen
- Essenscia
- Avecom
- Pharma(GSK, UCB...)

Research funding:
- VLAIO - Research Project
- VLAIO - R&D Feasibility Study

EU structural funding:
- LIFE
- INNOVATION FUND
- HORIZON EUROPE – PILLAR 3: EIC
- HORIZON EUROPE – PILLAR 2: FOOD & BIOECONOMY
- HORIZON EUROPE – PILLAR 2: CLIMATE, ENERGY AND MOBILITY
- EUROPEAN REGIONAL DEVELOPMENT FUND (ERDF)
- Crossroads Eureka (Cornet)

National innovation grants:
- BEL - COO
- VLAIO - Strategic Ecology Support
- Ecology Premium +
- VLAIO - Strategic Transformation Support (Sts)
- VLAIO - Development Project
- Flander Circular

Flanders:
- B2BE Facilitator (Depending on chosen topic)

National level:
- Bio Base Europe Pilot Plant
- Laboratory Plant Genetics

Wallonia:
- GetUpWallonia
- Valbiom
- Wagralim
- Greenwin

National level:
- Bio Base Europe Pilot Plant
- Laboratory Plant Genetics

Regional:
- Flemish Materials Programme
- The vision and strategy of the Government of Flanders for a sustainable and competitive bioeconomy in 2030
- Bio-economy strategic agenda
- Circular Wallonia
- Be.Circular Be.Brussels
- Flander's Bio-Economy Policy Plan
- Green Deal Circular Procurement
- The Walloon Waste-Resources Plan
- OVAM

EU:
- Europe 2020 Strategy
- EU's Bioeconomy Strategy Progress
- Bioeconomy: the European way to use our natural resources
- Biotech Adr

- Flemish Interdepartmental Working Group (IWG) for the Bioeconomy, the Government of Flanders
- Bio-based Industries Consortium (BIC)
- Flanders Biobased Valley (FBBV)
- ERRIN
- VIB
- Belgian Science Policy
- Boerenbond: A major organization representing farmers in Belgium, promoting sustainable agriculture practices;
- Flanders' FOOD
- Rescoop

Events:
- Research and Innovation Week
- 3rd Forum on the Mission of Adaptation to Climate Change
- European Week of Regions and Cities
- Info Day | Circular Bio-based Europe Joint Undertaking 2024
- EU Green Week Conference
- Bio-based Innovations for Industrial Applications
- European Sustainable Energy Week 2024
